# School Days

If you know a child in elementary school, this line is for you!

It is so vintage and yet so current! Moms and Grandmoms are going to have a hayday doing up a child's whole room! I can see curtains, floor cloth, pillows and of course a quilt or two. I have such good memories of school days! I still love the lined paper and now you have it in fabric with dot to dot words on the border. There are two small florals, plaids, dot to dot pictures and a novelty alphabet! The large floral has a polka dot background which makes it totally delightful, and reminds me of the day when everyone in our third grade class brought our teacher flowers. The classroom smelled delicious and looked beautiful!
