"We all have magic inside us."

J.K. Rowling

There's a mist covering the field behind our house and a full moon in the sky. Our orange kitty is roaming in the darkness while our preschooler sparkles and shimmers in her mermaid costume. A creepy playlist is filling the air with spooky tunes, the candles are lit in the jack-o-lanterns, and the chili is in the crock pot. Magic is in the air, it must be Halloween! Sophisticated black and white combine with the perfect pumpkin orange for a classic fall collection that is perfect for all your fall projects-- you'll be up till Midnight for sure!
