Cuddly Car Seat & Swaddler

Once, while driving through the canyon near our home in the Rocky Mountains, my family got a little antsy. We decided to pull the car off at the next available space and wander for a few moments. Those few moments were a breathtaking blessing, as we stumbled upon a wide open vista of panoramic views and beautiful blossoming wildflowers. The bickering stopped, the grouchiness faded, and we all took in the majesty of what nature had offered us. *Meadowbloom* is a reflection of this experience, reminding me that beauty, peace, and serenity can be found in any situation.

As the saying goes, bloom where you are planted!

**XOXO, April**
